

Hello,

I am an agent working out of Sacramento County, CA and I am very interested in joining your approved broker network for your REO services. I've been doing REOs for 4 years, have sold over 350 REO listings, with an average DOM of 18 days and an average sales price to list price of 97.78%. I've worked with Wells Fargo, Wachovia, Chase, and AHMSI as well as some other smaller accounts.

I don't know if you have openings currently in this area, but I am very much interested in any opportunity that may exist today, or may become available in the future. Attached is a copy of my résumé. Let me know of any other steps I can take to better position myself for openings with your company.

Thanks, and I'll talk to you soon!

~ Mark
