These properties and many more were recently sold with the assistance of The Sam Miller Team. I know this area, the houses in it, and what it takes to sell homes especially in this rapidly changing economy. So, if you would like to have an experienced, full-time, hard-working professional REALTOR working for you, call me at 740-397-7800. Also, I can provide you information related to the marketability of your home or statistics and market data for real estate in general.
